

Test Today. Results by Morning.

Your healthcare provider uses HealthTrack for certain laboratory tests. We deliver next-morning test results to help providers diagnose accurately and begin treatment sooner.

What Happens Next

Test covered by insurance

If you have any patient financial responsibility after your claim is processed with your health insurance company, you will receive a bill with payment options.

Remember: An Explanation of Benefits (EOB) from your health insurance company is not a bill.

Test not covered by insurance

You will receive a text from **833-743-0808** or an email from **noreply@healthtrackrx.com** if you have financial responsibility with instructions to make payment within 48 hours.

I don't have insurance

You will receive a text from **833-743-0808** or an email from **noreply@healthtrackrx.com** with instructions to make payment within 48 hours.

Questions about billing?

Please contact HealthTrack directly. Do not contact your doctor's office.

Financial assistance is available if eligible

Payment plans, prompt pay discounts, and financial hardship options available.
